# Allergies & Intolerances

We believe that every person should be able to enjoy dining with us. Should you have any allergies or intolerances or would like to know the exact ingredients in any of our dishes, then do please ask any member of staff who will be happy to talk through with you what each dish contains.

We at St Catherine's will make every effort to adapt or create dishes that are suitable to an individual's needs. However as our dishes are prepared in an open kitchen environment, despite our best efforts we cannot guarantee that our foods will be 100% allergen free so may not be suitable for people with severe allergies.

Please check with a member of the team about Allergen Information every time you visit as ingredients may have changed since your last visit. If you have any queries please do not hesitate to ask and we hope to see you many times in the future.
